Dear Community Member;

One of the many wonderful aspects of living in Yellow Springs is the presence of community music. The Yellow Springs Youth Orchestra Association (YSYOA) has been supporting music opportunities in the village since 1965.

The YSYOA program was founded by Shirley Mullins (cellist) and the late Mary Schumacher (violinist) to provide string education to school-aged children. Our focus has expanded and now includes the larger community, providing venues for people of all ages to share and enjoy music together.

Some of the activities and programs that YSYOA provides include:

- The Yellow Springs Summer Music Camp
- Yellow Springs Strings, a chamber orchestra for adults of all levels
- Intergenerational performances
- Music scholarships
- School assistance
  - Purchasing and refurbishing instruments
  - Purchasing music and supplies
  - Coordinating volunteers

We continue to support musical endeavors but we cannot do it alone. Your involvement and support is vital to the continuation of these and future programs. Please consider becoming a member and/or making a tax deductible donation in any amount.

Thank you for your support!
